

LEFT SIDE

- 1) Cut around the outside edge.
- 2) Cut on the solid lines (the line that the arrows are pointing to).
- 3) Tuck the flaps under until the dashed line meets the solid line, and glue or tape in place.

OPTIONAL:
(not required)

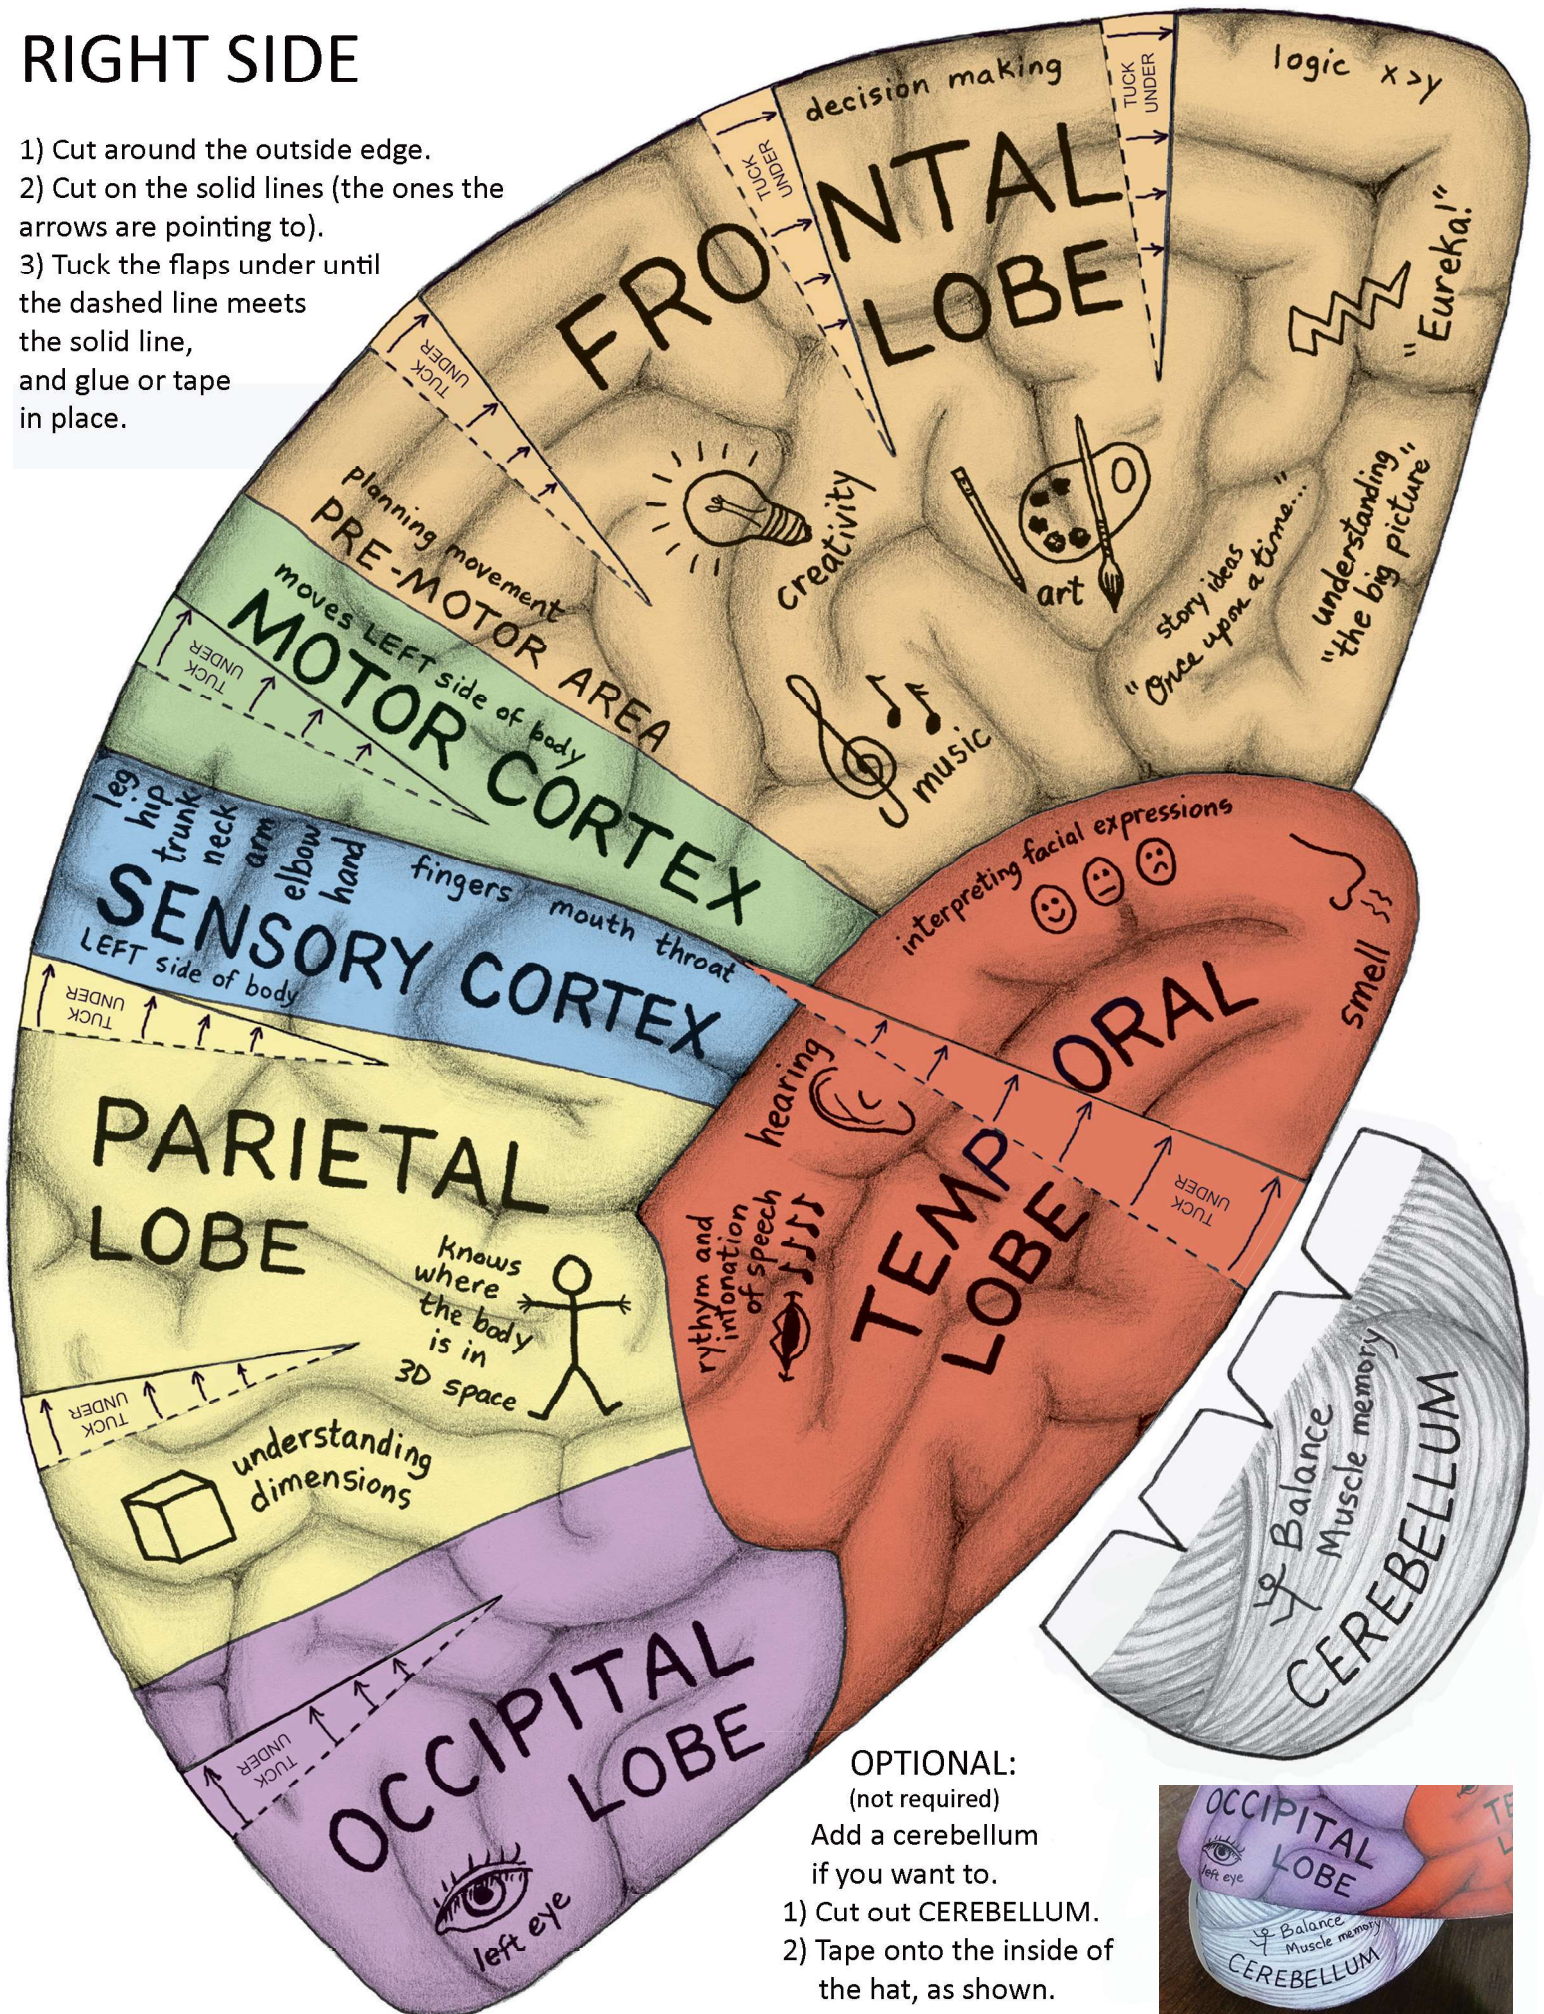

Add a cerebellum if you want to.

- 1) Cut out CEREBELLUM.
- 2) Tape onto the inside of the hat, as shown.

RIGHT SIDE

- 1) Cut around the outside edge.
- 2) Cut on the solid lines (the ones the arrows are pointing to).
- 3) Tuck the flaps under until the dashed line meets the solid line, and glue or tape in place.

OPTIONAL:
(not required)

Add a cerebellum if you want to.

- 1) Cut out CEREBELLUM.
- 2) Tape onto the inside of the hat, as shown.
